

Thank you for your interest in our establishment for your lunch or dinner party. Churrascaria Plataforma is a Rodízio style restaurant. Rodízio is a method of serving meat that originated in the south of Brazil in the early 1800's. The concept is to serve a wide variety of different cuts of beef (top sirloin, baby beef, top round, prime beef hips, short ribs, rib eye, filet mignon), pork (pork ribs, sausage, pork loin), chicken (chicken legs, chicken hearts), turkey (wrapped in bacon), lamb (lamb chops), seafood, etc., in succession, to each diner individually right at their table.

A meal typically begins with a trip to the gourmet salad bar, which features a variety of vegetables and composed salads in addition to four hot dishes. We also serve a selection of side dishes at your table. The main course, the highlight of the meal, will start when you flip your coaster-sized "chip" from the red side to the green side, signaling the meat cutters you're ready to be served.
